

NX-PB10

Push Exit Button (PVC)

*One press.
Door released.*

Compact PVC push exit button built for reliable, everyday access control. The NX-PB10 delivers **500,000-cycle durability** in a slim 86×86mm form factor with NO/COM dry contact output — compatible with all standard EM locks and access control systems. Lightweight at just 64g, it installs in minutes into any embedded electric case or standard wall box.

KEY FEATURES

- ✓ **500,000-Cycle Lifespan** — factory-tested for constant high-traffic use
- ✓ **NO/COM Dry Contact Output** — universal compatibility with any access controller
- ✓ **3A @ 36VDC Rating** — handles full EM lock load without relay
- ✓ **LED Status Indicator** — built-in green indicator strip for visible activation
- ✓ **Ultra-Lightweight at 64g** — minimal wall load, fast no-fuss installation
- ✓ **24-Month Warranty** — backed by reliable after-sales support

APPLICATIONS

- Corporate Offices
- Banks & Financial Institutions
- Hospitals & Healthcare
- Industrial & Manufacturing
- Educational Institutions
- Residential Complexes
