

NX-A86H

Push-to-Exit Button

*Press once.
Exit secure.*

Premium aluminum-panel exit button with a stainless steel push button, engineered for high-traffic commercial access control. Rated for **500,000 cycles** with NO/COM dry contact output, the NX-A86H integrates with any standard EM lock or access control system. Compatible with hollow frame doors and embedded electric mounting cases — drops into any standard 86×86 wall box.

KEY FEATURES

- ✓ **Aluminum Panel + Steel Button** — premium finish, scratch-resistant
- ✓ **500,000-Cycle Lifespan** — factory-tested for high-traffic environments
- ✓ **NO/COM Output Contacts** — universal compatibility with any access controller
- ✓ **3A @ 36VDC Max** — handles industrial-grade EM lock loads
- ✓ **Standard 86×86 Mount** — drops into any standard wall box, no custom cutting
- ✓ **24-Month Warranty** — backed by reliable after-sales support

APPLICATIONS

- Corporate Offices
- Banks & Financial Institutions
- Hospitals & Healthcare
- Industrial & Manufacturing
- Educational Institutions
- Residential Complexes
