

NX-K2RR

No-Touch Exit Button + Wireless Remote Combo

*Touch nothing.
Control everything.*

The NX-K2RR combines a no-touch infrared exit button with a **wireless remote control** in one complete access solution. Wave your hand from 3–10 cm to activate the button, or trigger the door release remotely from a distance — no wiring, no contact required. Built on the proven K2 platform with 500,000-cycle durability and NO/NC/COM output for universal access controller compatibility.

KEY FEATURES

- ✓ **2-in-1 Combo Kit** — no-touch IR exit button + wireless remote included in the box
- ✓ **Infrared No-Touch Sensor** — hand detection at 3–10 cm, zero physical contact
- ✓ **Wireless Remote Control** — door release from distance, no extra wiring needed
- ✓ **NO/NC/COM Output** — universal compatibility with any access control panel
- ✓ **500,000-Cycle Lifespan** — factory-tested for high-traffic deployment
- ✓ **24-Month Warranty** — backed by reliable after-sales support

APPLICATIONS

- Corporate Offices
- Banks & Financial Institutions
- Hospitals & Healthcare
- Hotels & Restaurants
- Educational Institutions
- Residential Complexes
