

NX-OCM45

45cm Outdoor Convex Safety Mirror

*130° wide-angle PC mirror — shatterproof, all-weather
— eliminates blind spots at parking lots, gates & road corners*

The Nexakey NX-OCM45 is a 45cm outdoor convex safety mirror engineered to eliminate dangerous blind spots at parking lot exits, basement ramps, factory gates, and road junctions. Its shatterproof Polycarbonate (PC) mirror surface is 200 times stronger than glass and features anti-UV coating to prevent yellowing and distortion over time. The high-visibility safety orange PP frame is UV-stabilized and weatherproof, maintaining structural integrity through rain, heat, and humidity. With a 130° panoramic wide-angle view, full mounting bracket included, and a lightweight 1.2kg body, the NX-OCM45 is quick to install and built for years of reliable outdoor service.

KEY FEATURES

- ✓ **Shatterproof PC Mirror Surface** — polycarbonate is 200× stronger than glass — resists impact, cracking, and vandalism outdoors
- ✓ **130° Wide-Angle Panoramic View** — single mirror provides complete blind-spot coverage at any gate exit or parking corner
- ✓ **Anti-UV Coating** — prevents yellowing, image distortion, and surface degradation from prolonged sun exposure
- ✓ **UV-Stabilized PP Orange Frame** — high-visibility safety orange frame is weatherproof and visible to drivers from 30+ meters
- ✓ **Adjustable Mounting Bracket Included** — full bracket set allows horizontal and vertical angle adjustment for wall or pole mounting
- ✓ **Lightweight at 1.2 kg** — easy single-person installation without special tools or heavy lifting equipment

APPLICATIONS

- Parking Lots & Multi-Storey Car Parks
- Basement Garage Entry & Exit Ramps
- Factory Compounds & Warehouse Loading Bays
- Hospital, Mall & Corporate Driveways
- Road Blind Corners & T-Junctions
- Schools, Universities & Government Compounds
